[Da Brat talking]

[Chorus]

Nigga, don't you hate on me, why don't you go and get you some?

Don't you hate on me, why don't you go and get you some? [4x]

[Krayzie Bone]

Motherfucker, go get you some

Get off my dick, bitch, get out my mix and tell me where the real niggas at

Put your blunts in the air, y'all nigga get fried to this  
To the ?? to mother, tell me who the thuggest in this motherfucker

What you niggas really wanna do? Big ballers flossin'  
Niggas wanna beat so they got to be talkin'

Oh let me give them what they say and run 'em in they face

What they say? "Oh nothin'"

Buster, hit'em in they shit anyway (hey)

That's how we play, stil thuggin' ain't a thing change  
Still the same name, love the face

Real, real niggas, that's all I gotta say

You fuckin' with the real, you ball to get gusted

Really, the real ain't shit to be fucked wit'

Protected by the niner, when you careful

The nigga the trigger finger itchy fixin' to make you  
duck the whloe flock

Make a nigga close shop, sho nuff

Showstopper, fuckin' 'em up with diesel

What's pumpin' the shotgun?

Real neccesary cause all we want is a little respect

That's all we want but nigga, you don't feel me

Krazyie crazy, maybe insane hangin' with JD

Little rip done slip the clip into the gat, rat-tat-tat

Just like that

[Da Brat]

I ain't fixin' to be the bitch to procastinatin'

Niggas wanna be shippin' me half a cake

Go through whatever drastic measures I hafta take

Make a motherfucker masterbate, the hotter I get the  
more hate  
Some of you hoes is overrated with flows  
The salvate'll take'em to the rehab and get'em re-  
instated  
My lyrical content send other bitches to convents  
Pray for me to be deleted but that's nonsense  
Been the bomb since '74 Aries  
I can see how ya nigga be lookin' at me  
He want to get in between the sheets  
Leave the wallet and the keys for me  
I ain't persuaded easily but if he spend the cheese for  
me  
Nigga, we can fuck free frequently  
You study me, but another me could never be sold  
Broke the most 6-0-6-4-4  
When niggas'll haul off and hit ya with the sawed off  
Seen plenty motherfuckers fall off with they jaws off  
When I'm finished droppin' 'em al off on the west side  
of Chi, I'm ridin' high  
Thinkin' of way to make it through the major of the  
paper chase  
Slidin' by, keep a luger in the chamber ready for  
danger when it's time to die

[Chorus]

See everywhere I go, I feel like niggas be tryin' to get  
me stuffed  
I'm flyin' on out of what? Iced up and all the hoes  
wanna fuck  
Knockin' bitches and that nigga got cake stacked up,  
packed up  
Everything I touch, gold and platinum, what?  
Niggas can't fuck with us  
Like Busta Bust, we dangerous  
And you know that if I peel I got mo'  
Y'all peel, it's gone, that's why the ice grill on  
When the wheel on by y'all niggas in the corner  
Back and forth, like "fuck that little guy"  
Don't worry bout me, you need to worry bout yo'  
goddamn self  
How you shit on shelf and how you sit around  
Wishin' that a nigga would sign to So So Def  
I'm a A-T-L-A-N-T-Alien  
Never been known to play with  
Can't none of y'all see me, so y'all niggas don't really  
need to say shit  
With all your paper-hatin', paper-hatin' and your bad  
looks  
What y'all need to do is shut up

And take heed to what my nigga sayin' in the hook

[Chorus til end]
