You smiled at me  
It was instant ecstasy  
And I know for sure  
I'm not gonna let this feeling show  
No  
Then you slipped away  
And left me dreamin' every day  
How could this be  
When love was all right there for me  
Seems like your love's a melody  
All this time it has haunted me

Chorus:  
Girl you go to come to me  
Come to me  
Sugar  
You're gonna have to come to me  
Come to me  
One way or another  
Come to me  
Come to me  
Honey  
You're gonna have to come to me  
Honey  
There's no gettin' around  
Gettin' around me  
There's no gettin' around  
Gettin' around me

Ooh you're in the air  
Girl I feel you everywhere  
I heard you call my name  
Turning 'round and you're not there  
Looks like love is just a memory  
A memory is not enough for me

Chorus
