I'm a greedy lover for lovin'  
When it's from you  
Im a choosey lover  
'Cause only your love will do  
Not like one who finds true love  
Yet search for more lovin'  
Their whole life through

Not me because I'm an easy take  
When love's here to make like this  
I'll tell you that I'm a kissin' fool  
When under the magic of your kiss  
Ooh not like one who finds the sweetest  
But cannot believe that the best will do  
I tell you I know nobody else but you  
Can do for me but you

I think it's love darling  
I really do  
I think you feel darling  
The same way too

I'm a woman lover whenever  
It's you and me  
I'm your sweet surrender  
If we'll stay in love eternally  
Ooh I've no time for vacillating  
Asking me if I am a happy man  
Becasue I know that I know  
That I've got love  
We've got love in the palm of our hands
