Duet with Whitney Houston

If you say my eyes are beautiful  
It's because they're looking at you  
And if you could only see yourself,  
You'd feel the same way, too.  
You could say that I'm a dreamer  
Who's had a dream come true,  
If you say my eyes are beautiful  
It's because they're looking at you.

If you wonder why I'm smilin'  
It's because I'm happy with you  
And the warm sensations touch my heart  
And fill me through and through,  
I could hold you close forever  
And never let you go,  
If you say my eyes are beautiful  
It's because I just love you so.

Now, my heart is an open door  
Won't you come inside for more  
You give love so sweetly now,  
Take me love,  
Take me completely now.

If you say my eyes are beautiful  
It's because they're looking at you  
And my eyes are just the windows  
For my feelings to come through,  
And by far you are more beautiful  
Than anything I ever knew,  
If you say my eyes are beautiful  
If you say my eyes are beautiful  
If you say my eyes are beautiful  
It's because they're looking at you.
