It never fails when I'm with you
I just freeze up inside
And you're waiting there with your arms open wide
My bashful feelin' just won't let me hide

You look as if you're surprised at me
I know it's not the way it's supposed to be

But did you should know by now
Girl, I'm just too shy
Did you know by now
Girl, I'm just too shy

I love to hold your hand
Tell you you're mine
But I just can't seem to make that move or to say those
words
Somethin' inside me just hold me back

I want to say, so much from within
I'm lost for words, I just can't begin

Baby, didn't you know it
Girl, I just don't show it
But I'm just too shy
Did you know by now
Girl, I'm just too shy

Maybe time will bring a change in me
Loving is you is not as easy as I thought it would be
Ooh

You look as if you're surprised at me

Did you should know by now
Girl, I'm just too shy
But did you know by now
Girl, I'm just too shy

Girl, I want to hug you
Girl, I want to love you
But I'm just too shy

Even wanna kiss you
Tell you I do miss you
But Im just too shy

Ooh, ooh
Girl, Im just too shy
But did you know by now
Girl, Im just too shy

Did you know by now
Girl, Im just too shy
Did you know by now
Girl, Im just too shy
