"I'm My Brothers Keeper"

It's been five years or more since we've sung our song
and I wonder why we took so long
Through all the pain and the tears that I cried
Our dream never died inside
While I was out there on my own
I loved you constantly
For I am my brothers keeper and my brother you're
the keeper of me

It's hard being apart when you love so much
And I pray that we never lose touch

You came into my dreams and you answered my
prayer
When you needed keeping I was there
And after all that we have been through
We're still one family
Yes I am my brothers keeper and my brother you're
the keeper of me
Our dream never died
