Close my eyes and I see your face at night  
Toss and turn, fall to sleep holding my pillow tight  
All the time I think of you  
You're with me no matter what I do

Walk around with a smile upon my face  
In my mind you have taken up permanent space  
I am feeling what I can't explain  
And if what you're feeling is the same

Let's get serious  
Let's get serious  
Let's get serious  
And fall in love

Let's get serious  
Let's get serious  
Let's get serious  
And fall in love

S E R I O U S, baby  
Let's get serious  
Yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah

In your arms is the place I want to be  
With my love in you and your love inside of me  
Longing for each other just ain't fair  
When we've got so much love we want to share

Let's get serious  
Let's get serious  
Let's get serious  
And fall in love

Let's get serious  
Let's get serious  
Let's get serious  
And fall in love

Let's get serious  
Let's get serious

Let's get serious
