feat. Whitney Houston

Time can pass so slowly when you feel so all alone
Love can strike like lightning when you find your heart
at home
I've seen it in the movies, read about it in a book
I never thought I'd feel it
But your touch was all it took

Chorus:

Take good care of my heart
Take good care of my heart
Baby you're the first to take it
I love you more than I should
But it keeps me feelin' so good
I've waited for your love forever
You're the one that take good care of my heart

Come and make your magic, till you have me
hypnotized
If we get closer, I'll be drowning in your eyes
You're the one I needed most when my love was on the
line
I'm so glad you gave me yours, when I gave you mine

Chorus
