(Feat. Babyface)

When I heard that you were looking for a love right
away
I knew I was the one
Ain't no point in looking anymore...more
Girl I'm ssure cause I
I know what you've been missing
And I'm standing here to listen
Girl I will give you undivided attention to your heart...
Heart girl I want to

Chorus:

Treat you right

Treat cha like a lady
Treat you right
Treat you like my baby
Treat you right
Treat you like the lady you are

Let's get the fire ignited you'll see
There's no point in waiting anymore...more that's for
sure
I wanna give you my kisses girl
I wanna give you my whole damn world
I wanna give you my heart, my soul, don't you know
Get this girl, I really wanna get with you girl
I wanna give you my rock, my roll, my sexy soul
Girl I want to
Chorus
