Ooo been such a long time my baby girl  
I can't wait and, how I do anticipate  
Ooo holding you closely my darling dear  
Don't you think it's time that we rejuvenate  
Our visions of love and the way that we feel, let's make  
it real  
Been much too long baby can't we make up for lost  
time tonight

Chorus:  
(We're makin' love)  
We're makin' love tonight yeah baby  
We're makin' whoopee  
We're gonna share our love tonight  
We won't stop til we get it right

We're makin' love tonight  
We're makin' love  
We're makin' whoopee  
We're gonna share our love tonight

Ooo hold me real tight please my baby love  
Just relax and I'll get down to business girl  
Yes kiss me all night please my baby girl  
I promise to love you til the morning comes  
I'll do all the things you do to me  
I'll fulfill your needs  
You see it's been much too long baby  
Can't we make up for lost time tonight

And when that moment comes  
Oh what a joy it'll be baby  
I'm gonna work you like  
Work ya til we're both in ecstasy baby  
Ooh baby  
While we're makin' love  
Makin' love tonight

Chorus

Cause we're gonna make sweet love tonight  
Won't stop til we get it right

Gotta work it baby work it all night  
Gonna make up for lost time  
Ooh we're gonna share our love tonight  
Cause we won't stop, we won't stop girl  
We're makin' love tonight baby  
W're makin' whoopee tonight girl  
We're gonna share...
