His girl and I  
Laid from bed from time to time  
Don't ask, me why  
I never was that kind of guy  
She said in time  
I'd be hers and she'd be mine  
I thought my my  
Soon found out it was a lie  
Just like a fool, there I waited  
A year or two, you delayed it  
Why did you lie, while you led me  
On and on and on and on

Chorus:  
You said, you said  
It'd be alright  
You said, you said  
Hold on boy and give it time  
You said, you said  
It'd be alright  
Well I don't need that kind of love  
In my life

Out with my pride  
I kept whackin' on the side  
I can't deny  
I know my noSe was open wide  
Soon she'd be gone  
Love ain't happenin' in her home  
She said bye bye  
But it was said to the wrong guy  
You felt so good, drove me crazy  
I fell for you, who could blame me  
How could you lie, you just led me  
On and on and on and on

Chorus

Never thought I'd be with a girl who wasn't free  
Never planned to share in another man's love  
Never thought I'd be the one taken for a ride  
taken for the ride of my life

You said, you said  
It'd be alright  
You said, you said

Never thought I'd be with a girl who wasn't free  
Never planned to share in another man's love  
Never thought I'd be the one taken for a ride  
taken for the ride of my life

Chorus

You said in time you would be mine  
You told a lie I took a ride  
Out went my pride, my nose open wide  
Wide, wide, wide, wide  
You said it's good, I said it's wrong  
You said you'd leave, but you're still at home  
Just like a fool I stayed alone  
Why..

Chorus

You said baby, you said mama  
You said baby, you told a lie  
I don't know why  
You said baby, you said mama  
I don't need that kinda love  
In my life
