Give me a day or two  
I'll be right with you  
I've just been feelin a little strange  
I'm acting when it's true  
But this feeling's totally new  
Girl, I've never felt this way  
And girl, you're all I think about  
Cuz I have fallen, there's no doubt  
I think I'm sick in love  
I've fallen and I can't get up  
I lose my sanity  
Every time that you're with me  
Cuz girl I'm wrapped up in you  
I get lost in your eyes  
No room for compromise  
No one else will do, no one else  
Girl, you're all I think about

Cuz I have fallen, there's no doubt  
I think I'm sick in love  
I've fallen and I can't get up  
Girl, you're all I think about  
Cuz I have fallen, there's no doubt  
I think I'm sick in love  
Cuz I've fallen and I can't get up  
Girl, you're all I think about  
I have fallen, there's no doubt  
I think I'm sick in love  
Cuz I've fallen and I can't get up  
Girls you're all I think about  
Ohhh, help me up  
I have fallen there's no doubt  
Girl, you're all I think about  
I've fallen and I can't get up
