The heart that I gave
The dreams that I made
With someone who don't care
The times that I wasted
Feelings I chased
That led me to nowhere
The sleepless nights, the drag-on fights
The silence always won
The heart that I cried
The breaking inside
The loneliness to come
Well, it's alright, is this goodbye
It won't hurt me for too long
I'll be fine on my own
It'll take some time
But I know that I
I can find where I belong
And I'll find it in a song
I'll sing about freedom searching for new love
Ignorance is bliss
Knowing I'm not the only fool who's been
Hurt just like this
I'll sing about making honest mistakes
And heartaches I've gone through

Yeah, then I'll forgive
I won't have to forget
The good things about you
It's alright, is this goodbye
It won't hurt me for too long
I'll be just fine on my own
It'll take some time
But I know that I
Oh, I can find where I belong
And I'll find it in a song
Ooohhh
No, ooohhh
Oh, baby it's alright
Cuz this is goodbye
It's only gonna hurt me for so long
I'll be just fine on my own

It'll take some time
But I know that I
Yeah, I can find where I belong
And I'll find it in a song
In a song-oooh
I'll find it in a, find it in a song-oooh
Oooh
