Some of my friends say I've lost my mind
All the others tell me that I'm wasting my time
But you're time well wasted at the end of the day
You're a sweet distraction so baby, please don't go
away
Cuz baby, I ain't lovin you just for the thrill
You can't ignore a sickness when it's got you this I'll
You made a fool out of me babe, but I love you still
Cuz baby, I ain't loving you just for the thrill
I've got this feeling right where it counts
I didn't have to write this song to figure this love out
You're a magical place that I've never been
You're the song I wanna write again and again and
again
Baby, I ain't lovin you just for the thrill
You can't ignore a sickness when it's got you this I'll
You made a fool out of me babe, but I love you still
Baby, I ain't lovin you just for the thrill
Cuz baby, I ain't lovin you just for the thrill
You really can't ignore a sickness when it's got you this
I'll
You made a fool out of me baby, but I love you still
Cuz baby, I ain't lovin you just for the thrill
Baby, I ain't lovin you just for the thrill
Cuz you can't ignore a sickness when it's got you feelin
this I'll
You made a fool out of me baby, but I love you still
Baby, I ain't lovin you, lovin you, lovin you, lovin
Baby, no, I ain't lovin you just for the thrill
You can't ignore a sickness when it's got you feelin this
I'll
You made a fool out of me babe, but I love you still
Baby, I ain't lovin you just for the thrill
