Ow!

You're on punishment

I want to suffer

Hands down!

Oh, let it hurt!

Shut up!

Where's my whip!

You like my hair, long and fine?  
I brush it fifty times  
The clothes I wear, latest design  
Mm-hmm, fashion redefined  
I'm ready now to state my claim  
I ain't got no shame  
I wonder how you complain  
Those pumps are such a pain

Babe, I've seen what you're throwing down  
Claim to me why you're hanging around  
But obviously, you need to be  
You need to be punished!  
(Uh! Ow! )

I'm out to punish over you  
Gonna find out what a man can do (Hee-ee! )  
I'm out to punish all over you  
You naughty girl  
(You naughty girl)  
Yeah  
(Yaw, yaw, yaw)

I'm out to punish over you (Hee-ee! )  
Gonna find out what a man can do (Yaw, yaw)  
I'm out to punish all over you  
You naughty girl

(You naughty girl)  
Yeah  
(Yeah, yeah, yeah)

My little flirt, how does it feel  
Huh, when it gets so real?  
You're just dessert to my ideal  
Of a perfect meal, mmm, good!

Babe I've seen what you're throwing down  
Claim to me why you're hanging around  
But obviously, you need to be punished!  
(Uh, uh, uh! Ow! )

I'm out to punish over you  
Gonna find out what a man can do (Mm-mmm)  
I'm out to punish all over you (Whoo! )  
You naughty girl  
(You naughty girl)  
Ooh, yeah, ha, ha, ha!

I'm out to punish over you  
Gonna find out what a man can do (Whoo! )  
I'm out to punish all over you  
You naughty girl  
(You naughty girl)  
Oh, yeah, yeah  
(Yaw, yaw, yaw, yaw, yaw)

Oh-whoa!

(Brass solo)

Oh, babe, I've seen what you're throwing down  
Claim to me why you're hanging around  
But obviously, you need to be punished!  
(Uh, uh, uh, uh! )

Punish over you  
You're about to find out what a man can do  
(Yaw, yaw, yaw)  
I'm out to punish all over you  
You naughty girl  
(You naughty girl)  
Uh-huh  
(Aw, yeah! )

I'm out to punish over you  
You're about to find out what a man can do  
I'm out to punish all over you  
You naughty girl

(You naughty girl) Uh!  
You naughty girl!

(Repeat with ad-libs)  
Punish, punish, punish

Ah yeah!

Talk to me baby!

Please, do it! Please, do it!

Ah, bring me my blow dryer  
My hair's wet

Oh, let me do it for you  
Let me blow-dry your hair a bit  
Oh, let me do it, yeah!

Ah, you like my perm hair?

Ah, yes I do, baby!  
I like it, it's shiny  
Uh-huh!

You're on punishment

Uh!

Don't you ever do that again!

I promise, baby, okay?

Don't ever cross me!

Uh-huh!

Brrr!

Uh, it is cold in here!  
I'll make it warm, yeah!

Aw, yeah!

Uh, uh, uh, oh, stop!
