Yeah...

Ohh...

She rolled in from the west in a summer sun dress
hotter than the heat in July
With her wind blown hair it just wasn't fair the way she
was blowing my mind
Have you ever noticed every hurricane gets it's name
from a girl like this
She's the cat 5 kind keeps you up at night hanging on
to the edge of a kiss
She's a beautiful mess, yeah the kind you love to love
But what happens next,
I got a feeling when the sun comes up

I'm gonna wish I had a storm warning
I'm gonna wish I had a sign
I'm gonna wish I had a little heads up, little lee-way,
little more time
Some kind of radar system locked in on love
I got a feeling by the time the night finds the morning
I'm gonna wish I had a storm warning
I'm gonna wish I had a storm warning

Ain't it funny how it feels when you're burning your
wheels somewhere between going and gone
You get so lost that you can't turn it off, you give in and
you just turn it on
She's a harp on a reign red lips like a flame she's the
girl from your favorite song
What a beautiful mess,
A one part angel, one part perfect, one part wreck
The kind of flood you'll never forget

I'm gonna wish I had a storm warning
I'm gonna wish I had a sign
I'm gonna wish I had a little heads up, little lee-way
little more time
Some kind of radar system locked in on love
I got a feeling by the time the night finds the morning

I'm gonna wish I had a storm warning

I'm gonna wish I had a storm warning

I'm gonna wish I had a sign

I'm gonna wish I had a little heads up, little lee-way

little more time

Some kind of radar system locked in on love

I'm gonna wish I had a storm warning

I'm gonna wish I had a sign

I'm gonna wish I had a little heads up, little lee-way

little more time

Some kind of radar system locked in on love

I got a feeling by the time the night finds the morning

I'm gonna wish I had a storm warning

Yeah, I'm gonna wish I had a storm warning

I'm gonna wish I had a sign

I'm gonna wish I had a sign, or storm warning, yeah
