Not a word, from your lips  
You just took for granted that I want to skinny dip  
A quick hit, that's your game  
But I'm not a piece of meat, still you like my brain

Night is young, so are we  
Let's get to know each other better, slow and easily  
Take my hand, let's hit the floor  
Shake our bodies to the music, maybe then you'll score

So come on baby, won't you show some class?  
Why you want to move so fast  
We don't have to take our clothes off  
To have a good time, oh no

We could dance and party all night  
And drink some cherry wine, uh huh  
We don't have to take our clothes off  
To have a good time, oh no

We could dance and party all night  
(All night)  
And drink some cherry wine, uh huh  
Na na na na na na

Just slow down if you want me  
A man wants to be approached cool and romantically  
I've got needs just like you  
If the conversation's good vibrations through and  
through

So come on baby, won't you show some class?  
Why you want to move so fast  
We don't have to take our clothes off  
To have a good time, oh no

We could dance and party all night  
(All night)  
And drink some cherry wine, uh huh  
Na na na na na na
