Not a word, from your lips
You just took for granted that I want to skinny dip.
A quick hit, that's your game.
But I'm not a piece of meat, stimulate my brain.
Night is young, so are we.
Lets get to know each other better, slow & easily.
Take my hand, lets hit the floor.
Shake our bodies to the music.
Maybe then you'll score.

Chorus: So come on baby, wont you show some class
Why you want to move so fast.
We don't have to take our clothes off
To have a good time
Oh no
We could dance & party all night
And drink some cherry wine
Uh huh
We don't have to take our clothes off

To have a good time
Oh no
We could dance & party all night
And drink some cherry wine
Uh huh
Na na na na na na na...

Just slow down if you want me
A man wants to be approached cool & romantically
I've got needs
Just like you
If the conversations good
Vibrations through & through

So come on baby, wont you show some class
Why you want to move so fast
We don't have to take our clothes off
To have a good time
Oh no
We could dance & party all night
And drink some cherry wine

Uh huh
Na na na na na na...
