Alright, here we go - Jeronimo
Come on

Chorus

Oh, please, I'm begging on my knees
One kiss before you go

But all you say is no, no, no, no

Please, I'm begging on my knees

One kiss before you go

But all you say is no, no, no, no, no

(Jeronimo) No, (Jeronimo) no

All you say is no, no, no, no, no

(What) No, (what) no

All you say is no, no, no, no, no (Jeronimo)

You've got to tell her what she wants to hear

You've got to move her deep inside her heart

You've got to listen when she tries to speak

And tell her she's the bomb

You've got to make her feel like she's the one

You've to show her without her it's no fun

You've got to make her see where she belongs

And tell here she's the bomb

Chorus

You've got to tell her what she wants to hear

You've got to move her deep inside her heart,

You've got to listen when she tries to speak

And tell her she's the bomb

You've got to make her feel like she's the one

You've to show her without her it's no fun

You've got to make her see where she belongs

And tell here she's the bomb

Come on

Chorus
