You're a very pretty girl  
And all that's good  
A lot of guys would love you  
If they could

When you add up all the hugs  
And every little kiss  
Get down to the bottom line  
And try to answer this

I wanna know are you happy  
Tell me, tell me  
Do you know how it feels  
To have someone to  
Love you for real

Oh, you're a hip young man  
Trying to make it in the world  
Messing up the minds of  
A lot of little girls

Brother, you got  
To face one fact  
The heartache you give out  
You're gonna get it all back

So are you happy  
Tell me, tell me  
Do you know how it feels  
Oh, are you really happy, for real

This is one thing  
You gotta learn  
You never get love until  
You give it in return

Are you happy  
Hey, tell me, tell me, baby  
Do you know how it feels  
I wanna know do you have  
Somebody to love you for real

Hey, did you hear what I say  
Are you really happy  
Tell me, tell me, tell me  
Do you know how it feels...
