Oh, baby, I wanna do it to you
Like you did it to me, did it to me
You know I wanna do it to you

Oh, baby, yeah
Like you did it to me, did it to me
I wanna do it to you

I'm happy that you spent
Some time with me, yeah
You were water to my thirsty heart
And I drank my spirt free

Yeah, you were the
Only one who lifted me
You put my feet on high ground
Just having you around is so heavenly

I'm excited as can be
Cause I've found a lover
Who's in my corner and
Ever since, oh, you said you loved me
Girl, I feel so real, I feel so free

Yeah, baby, I wanna do it to you
Like you did it to me, did it to me
You know I wanna do it to you

I'm thankful that you
Took the time to be here
A real part of my dreams
That to which I cling
You're part of me

Hey, I'm excited as can be
And I've found a lover
That's in my corner and
Ever since you vame to me
I feel so real, I feel so free

Oh baby, you see I wanna do it to you
I wanna make you feel good

Just the way do

I wanna make you feel like
Like you're ten feet tall
And everything I have to give
For as long as I live
You can have it all

Baby, baby, baby, baby, baby
I wanna do it to you
Like you did it to me, did it to me
I wanna do it to you

You see, you are the only one
Who tried to understand
All my ups and my downs
All my smiles and my frowns
I'm so glad you're mine

Hey, baby, I wanna do it to you...
