Ashes to ashes
Dust to dust
Ashes to ashes
Dust to dust

Jerry Cantrell:
everytime you time you trample across my peaceful
mind
flailing freely want me to let it slide yeah
how you hurt her went so far beyond wrong
i burn you down to cinders ashes now your gone
yeah

Patrick Lachman:
and the scars you left behind
slowly fade away with time
ashes of what used to be
now thats all you are to me

Jerry Cantrell:
begging mercy shifting playing on both sides
cut your own throat open and ask me how you died
yeah
what was once respected sorely headed south
memory forces echoes better in my mouth
yeah

Patrick Lachman:
and the scars you left behind
slowly fade away with time
ashes of what used to be
nnow that all you are to me

ashes to ashes
dust to dust
ashes to ashes
dust to dust

Patrick Lachman:
I have no respect left of what your about
and sympathy wont come from me
erase everything that you once could of been

destruction of your dignity
I scatter your ashes into the wind
regret is too short now your free
leave here in shame doomed to fulfill
your pathetic destiny

and the scars you left behind
slowlyfade away with time
ashes of what used to be
now that all you are to me

ashes to ashes
dust to dust (repeat until fade)
