Been awhile and you see his face
So you can't ignore the waste
All the empty spaces
No one home, leaving only traces

Give up, go 'way
He's not yours to save
And if you decide
He's not that kind

He got a cold piece inside
Cold piece inside

Now you hear that there's something wrong
Though it's sad, he lives his song
Ever changing
Stranded on the notes remaining

Give up, go 'way
He's not yours to save
And if you decide
He's not that kind

He got a cold piece inside
Cold piece inside

In your sunshine
In your sunshine
Where's your sunshine now?

Average all, let it in my son
To be, is worth the damage done
You have no halo
Don't spend your time sniffing
'Round dead shadows

Give up, go 'way
I'm not yours to save
And if you decide
I'm not that kind

He say, give up, go 'way

I'm not yours to save
And if you decide
I'm not that kind

I got a cold piece inside
Cold piece inside

In your sunshine
In your sunshine
Where's your sunshine now ?
