I like to sit, do nothing at home  
I disappear, turn off the phone  
I lose myself, hide from the sun  
I make a trip, when I'm out of fun

I cut you in, come on let's go for a fall  
I cut you in, and you ain't leavin' at all  
I cut you in, don't let it go to your head  
I cut you in, part-time friend

I call you up, whenever I'm stoned  
We chew the skin, choke on the bones  
You wonder when I'll go away  
If I could deal with it, I would have stayed

I cut you in, come on let's go for a fall  
I cut you in, and you ain't leavin' at all  
I cut you in, don't let it go to your head  
I cut you in, a part-time friend

I cut you in, come on let's go for a fall  
I cut you in, and you ain't leavin' at all  
I cut you in, don't let it go in your head  
I cut you in, part-time friend

I like to sit, do nothing at home  
I disappear, turn off the phone  
I lose myself, hide from the sun  
I make a trip, when I'm out of fun

I cut you in, come on let's go for a fall  
I cut you in, and you ain't leavin' at all  
I cut you in, don't let it go to your head  
I cut you in, a part-time friend

I cut you in, come on let's go for a fall  
I cut you in, and you ain't leavin' at all  
I cut you in, don't let it go to your head  
I cut you in, part-time friend

I cut you in  
I cut you in

I cut you in, don't let it go to your head  
I cut you in, a part-time friend
