I would like to know
How you cage a bird aflight
Feathers bright
To show your might
Are you such a stone
Smile greasy, you pick my bones
Crawl inside
Have you no life
Hard times on the refugee
Keep a sidesteppin' over me
Not sure but you think you might
Can you see when there is no light
Tell me once again
That you'd like to be my friend
While we run
A race of one

Do you feel the same
My head hung high in shame
You install
A trophy wall
Hard times on the refugee
Keep a sidesteppin' over me
Not sure but you think you might
Can you see when there is no light
Please me
Satisfy
One request
Choose to live...
