Though you're always on my mind
Found a sickness that was mine
Chose a life out on the run
All alone inside this game
Until I'm done

Sometimes I don't think I can trust myself no more
Seems I've failed you all my life
Youthful dreams, you'd be my wife
Before I fall into the sun
If there never is again
You were the one

Sometimes I don't think I can trust myself no more
So I don't feel that I can love you anymore
On this settling down
Oh, I better lay down and rest awhile
On this settling down
Oh, I better lay down and rest awhile

Sometimes I don't think I can trust myself no more
And I don't know if I can love you anymore
On this settling down
Oh, I better lay down and rest awhile
On this settling down
Oh, I better lay down and rest awhile
And I say no
