Mama let that boy play some rock and roll  
Jazz is much too crazy, he can play it when he's old  
He's too young for the blues, he's still inside his first  
pair of shoes  
He's just a baby

Give that boy some freedom, let him move around  
Don't get in his way, you'll only bring him down  
Mama won't you let him, let him play some rock and  
roll, yeah  
Let him play some rock and roll  
Let him play some rock and roll  
Let him play some rock and roll  
Oh yeah...

Well, all right...

Come on now

Mama let that boy play some rock and roll  
Jazz is much too crazy, he can play it when he's old  
He's too young for the blues, he's still inside his first  
pair of shoes  
He's so young

Give that boy some freedom, let him move around  
Don't get in his way, you'll only bring him down  
Mama won't you let him, let him play some rock and  
roll, yeah  
Let him play some rock and roll  
Let him play some rock and roll  
Let him play some rock and roll  
Oh yeah...

Well, come on now

Mama let him play, let him play  
Mama let him play, let him play  
Let him say what he wants to say

Mama let him play, let him play  
Mama let him play, let him play

Let him say what he wants to say

Let him play some rock and roll  
Let him play some rock and roll  
Let him play some rock and roll

Come on now!

Ooo hoo hoo!

Hooo yawww!

Mama let him play, let him play  
Mama let him play, let him play  
Mama let him play, let him play  
Mama let him play, let him play  
Mama let him play, let him play  
Let him say what he wants to say

Let him play some rock and roll  
Let him play some rock and roll  
Let him play some rock and roll
