"All Through The Night"

Sleep my child and peace attend thee
All through the night
Guardian angels God will send thee
All through the night

Soft the drowsy hours are creeping
Hill and dale in slumber sleeping
I, my loving vigil keeping
All through the night

While the moon, her watch is keeping
All through the night
While the weary world is sleeping
All through the night

O'er thy spirit gently stealing
Visions of delight revealing
Breathes a pure and holy feeling
All through the night
All through the night
All through the night

Through your dreams you're softly stealing
Visions of delight revealing
Christmas time is so appealing
All through the night
All through the night
