When the road gets too long
And you run all out of song
The pain gets too much
For you to bear

Turn around, turn around
Turn around and I'll be there
Like a road, like a road leading home

When the gray clouds start to blow
You need some place to go
When you want some company
That really cares

Turn around, turn around
Turn around and I'll be there
Like a road, like a road leading home

Rain is past and gone
And the road you're traveling on
Doesn't seem to be going
Anywhere

Turn around, turn around
Turn around and I'll be there
Like a road, like a road leading home
Like a road, like a road leading home

The road it's too long
And you run all out of song
And the pain it's too much
For you to bear

Turn around, turn around
Turn around, I'll be there
Like a road, like a road leading home
Like a road, like a road leading home
