You saved my heart  
You don't even know me  
You saved my dream  
You heard me scream  
oOoh.. my lost soul  
was saved by a stranger  
who saved my life  
you save my life

Why did you do it?  
What made you stop and turn around?  
Do you even know the reason  
why you had to help me out?  
Just when I knew it  
It was my time to sink or swim  
you came along and pulled me out  
of all the trouble i was in

why did you do it?  
why did you risk your life for mine?  
would have the done the same for you  
would have saved you just in time

you saved my heart  
you dont even know me  
you saved my dream  
you heard me scream  
ooh, you saved my soul  
love that you have shown me  
you saved my life  
you saved my life

where did you come from  
how did you know i was alone  
that i never stood a chance to find a way out  
on my own  
who sent the message  
that i was hanging by a thread  
by this very time tomorrow  
they would leave me here for dead

why did you do it?

why did you risk your life for mine?  
would have done the same for you  
would have saved you just in time

you saved my heart  
you dont even know me  
you saved my dream  
you heard me scream  
my lost soul  
was saved by a stranger  
who saved my life  
you saved my life

saved my life  
saved my heart  
and you dont even know me  
o0o0o  
saved my soul  
saved my dream  
saved my life!

OoOh you saved my heart  
you dont even know me  
you saved my dream  
you heard me scream  
oOoh my lost soul  
was saved by a stranger  
who saved my life  
you saved my life

you saved my heart  
you dont even know me  
you saved my dream  
you heard me scream whoa  
my lost soul  
was saved by a stranger  
who saved my life  
you saved my life
