I wanna say to my sisters and my brothers  
Keep the faith  
When the storm flies and the wind blows  
Go on at a steady pace

When the battle is fought, and the victory's won  
We can all shout together, we have overcome  
We'll talk to the Father and the Son  
When we make it to the promised land

If we walk together, little children  
We don't ever have to worry  
Through this world of trouble  
We gotta love one another

Let us take our fellow man by the hand  
Try to help him to understand  
We can all be together, forever and ever  
When we make it to the promised land

Our bible reads  
Thou shall not be afraid  
Of the terror by night  
Nor the arrow that flies by day

Nor for the pestilence  
That waiteth in the darkness  
Nor for the destruction  
That waiteth in the noon-day hour

If we walk together, little children  
We don't ever have to worry  
Through this world of trouble  
We gotta love one another

Let us take our fellow man by the hand  
Try to help him to understand  
We can all be together, forever and ever  
When we make it to the promised land

This world is not our home  
We're only passing through

Our trail is all made up  
Way beyond the blue

Let us do the very best that we can  
While we're travelin' through this land  
We can all be together, shakin' a hand  
When we make it to the promised land

If we walk together, little children  
We don't ever have to worry  
Through this world of trouble  
We gotta love one another

Let us take our fellow man by the hand  
Try to help him to understand  
We can all be together, forever and ever  
When we make it to the promised land

When we make it to the promised land  
Make it to the promised land  
(Sisters)  
Make it to the promised land  
(Little children)  
Make it to the promised land

Make it to the promised land  
(Children)  
Make it to the promised land  
We can all be together, forever and ever  
When we make it to the promised land

Walk together, little children  
We won't ever have to worry  
Through this world of trouble  
We gotta love one another

Let us take our fellow man by the hand  
Try to help him to understand  
We can all be together, forever and ever  
When we make it to the promised land

We can all be together, forever and ever  
When we make it to the promised land
