Robert Parker

Everybody get on your feet, you make me nervous
when you in your seat
Take off your shoes and throw them away, come back
and get them some other day
Barefootin', barefootin', barefootin', barefootin'

Went to a party the other night, Long Tall Sally was out
of sight

Threw way her wig, and her high heels too, she was
doin a dance without any shoes

She's barefootin', she barefootin', barefootin',
barefootin'

Hey little gal with the red dress on, I bet you can
barefoot all night long
Take off your shoes and and tap your feet, we're doin a
dance that can't be beat
We're barefootin', we're barefootin', barefootin',
barefootin'

Lil John Henry told Peggy Sue, if I barefoot would you
barefoot too

Sue told John, "I'll take you to school, I been barefootin
since I was two

Barefootin', barefootin', barefootin'', barefootin'

So everybody get on your feet, you make me nervous
when you're in your seat
Take off your shoes and throw them away, come back
and get them some other day
We're barefootin', we barefootin', barefootin',
barefootin'
