Jerry Jeff Walker

At the start of each day  
I dread what I face  
And the race that is runnin' outside  
I jump back in bed  
And I cover my head

But that only blocks out the light  
No my trouble's still there  
You know it hangs in the air  
I know things are comin' my way  
There's things I must do  
But I hide in my room  
And I hope that it all goes away

Come on mama won't you come here quick  
I feel like I'm going insane  
I need the good lovin' grace  
Of your sweet smilin' face

There'll be light in my life once again

Now I'm biting my lip  
You know I'm losin' my grip  
I feel like I'm slippin' away  
She comes along  
She'll be hummin' a song  
Like sunlight she can brighten my day  
Ain't it so good just to see her now  
Walkin up the street  
You know that she's comin to love you  
And lovin' you, that's just what you need  
To set you free

Yeah the good lovin' grace  
Of her sweet smilin' face  
Will put light in my life once again
