Say if you're South of Oklahoma, east of New Mexico,
West of Louisiana, where Papa Charles always go
We gotta a little place called Texas
Where the women grow on trees
There right there for the pickin' good buddy
Just as easy as a man could please

Chorus:

Run take a hold
You're gonna get young 'fore ya get old
Those Texas ladies are Texas gold
Kisses that are sweeter than cactus
Take no practice to love yeah

Now there east of Amarillo, a little south of old Dime
Box
You can find a Cinderella
Or a genuine Goldilocks
And if ya don't like no love attachments,
If your taste in women gets strange
You could probably find some things to live on,
Down in old La Grange

Chorus:

You better run tell the world
You gotta have a Lone Star girl
With her cast iron curls
Her aluminum dimples
Cause she's so simple to love

Now she's probably in Dallas, maybe down in old
Cowtown
I've heard em tell Texas women
Beat the others lyin' down
I just thought I might tell you
In case you were unaware
'Bout those northeast Texas women
With their cotton candy hair

Chorus:

You run dig a hole,
You gonna get young before you get old

Now Texas women are Texas gold
Ahh there sweeter than cactus

Easy to love, yeah, easy to love
Easy to love, mmmmm

Chorus:
You run tell the world,
How you'll get Lone star girls
With their cast iron curls,
She's sweeter than cactus
And easy to love....
