Jerry Jeff Walker

When friends come for Saturday night  
It's nice to make up some Sangria wine  
It's organic and it comes from the vine  
It's also legal and it gets you so high  
Yeah I love that Sangria wine  
Love to drink it with old friends of mine  
Yeah I love to get drunk with old friends of mine  
When we're drinkin' that old Sangria wine

CHORUS:

Whoa oh oh Woah oh oh I love Sangria wine  
Whoa oh oh Woah oh oh I love Sangria wine

Start with some wine  
Get some apples and brandy and sugar just fine  
Old friends always show up on time  
That's why you add Sparkling Burgandy wine  
I love old Sangria wine  
When I drink it with old friends of mine  
Yeah I love to drink with old friends of mine  
When we get drunk on that Sangria wine

CHORUS

In Texas on a Saturday night  
Everclear is added to the wine sometimes  
Some nachos, burritos and tacos  
Who knows how it usually goes, it goes

CHORUS

Yeah I love that Sangria wine  
Just like I love old friends of mine  
They tell the truth when they're mixed with the wine  
That's why I blend in the lemons and limes  
And I love that Sangria wine  
Love to drink it with old friends of mine  
Yeah I love to drink with friends of mine  
When we get drunk on that Sangria wine
