Alvin

I think you just blowed your cool Alvin
son you're the number one fool oh yeahh
she's in love with that boy next door Alvin
she don't love you anymore
you know the one Alvin why he just moved into the
neighborhood
and shot you out of that saddle

Alvin looks like it's all over now (it's all over son)
hey Alvin I think she broke the vows that were made

but son I wouldn't worry I ain't as bad as it may seem
why she's fickle Alvin and it was only a teenage dream

hang in there Alvin
