Big legged woman  
Keep your dresses down  
You've got something baby  
That'll make a fool dog a hound

Big legged mama  
Haha  
Keep your dresses down  
I swear honey  
You got somethin' up under there  
Mmmmmmm, that makes me wanna  
Lay it down a ha ha ha

Little break now  
She rolls in her bedding  
Like she rolls her biscuit dough  
She lay down so easy  
Till she got to have some more

Oh big legged mama  
Ooooh, keep your dresses down  
Don't stop me now mama  
You've got somethin' baby  
Mmm, make a fool dog a hound

Well, yeah

Oooh, look who's callin', lookit here

Well, let me tell ya tell ya tell ya somethin'  
What I'm talking' about  
I bet my bottom dollar  
There ain't a cherry in this house

Oh, big legged mama  
Keep your dresses down  
Mmm, if'n I don't stop drillin on ya baby  
You're gonna lose your nightgown  
It's a hit!
