(Calypso style beat)

One sleepy summer day
Beneath the typical blue
Along a crowded beach
She just senses his view

And with a little luck
And a mutual friend
He learned her name is, Anne Marie
That's where our story begins

Chorus:
And the birds and the bees
Are singin' sweet and strong
The story of 'boy meets girl'
The ever lasting song

He gets his courage up (boy meets girl)
He finally gives her a call (he calls)
They talk for hours with his head on the floor
And his feet on the wall (on the wall)

And soon enough it's well known
They've got a regular thing
She's got his basketball sweater
His pin and his new mood ring

Chorus:
And the birds and the bees
Are singin' sweet and strong
The story of boy meets girl
The ever lasting song

And then one day at school
He gets a note from a friend
Yes, it's written by, Anne Marie
She cannot see him again

And so he cries a bit
Back goes his sweater and pin

He says it's better this way
The next day, he's on the beach, again

Chorus:

And the birds and the bees
Are singin' sweet and strong
The story of boy meets girl
The ever lasting song
And the birds and the bees
Are singin' sweet and strong
FADES-
The story of boy meets girl
The ever lasting song
