Now if you love me please don't tease
If I can hold then let me squeeze
My heart goes round and round
My love comes a tumblin' down

You leave me ahh
Breathless, ah

I shake all over and you know why
I am sure its love honey thats no lie
Cause when you call my name
You know I burn like a wooden flame

You leave me ahh
Breathless!

Ooh baby, crazy

Your much to much
Honey I can't love you enough
It's alright to hold me tight
But when you love me love me right

Ah come on baby now don't be shy
This love was meant for you and I
Wind, rain, sleet or snow
I am gonna be wherever you go

You have left me ahh
Breathless, ah

Well

Ooh baby, crazy

Your much to much
I can't love you enough
Well its alright to hold me tight
But when you love me love me right

Ah, come on baby, now don't be shy
This love was meant for you and I

Wind, rain, sleet or snow
I am gonna be wherever you go

You leave me ahh
Breathless, ah
