"Cold Cold Heart"

I've tried so hard, my dear, to show that you're my
every dream
Yet you're afraid each thing I do is just some evil
scheme
A memory from the lonesome past keeps us so far
apart
Why can't I free your doubtful mind and melt your cold
cold heart?

Another love before my time had made your heart sad
and blue
And so my heart is paying dear for things he really
didn't do
In anger, unkind words I said had make those
teardrops start
Why can't I free your doubtful mind and melt your cold
cold heart?

You'll never know how much it hurts to see you sit and
cry
You know I need, I want your love yet you're afraid to
try
Why do you run and hide from life to try it just ain't
smart?
Why can't I free your doubtful mind and melt your cold
cold heart?
