If you're here 'cause you love me
And not just because
Things didn't work out with him
If you've had sweet dreams of me
And where we left off
Come on in, come on in

If you've come back forever
And if you're sincere
If you'll be satisfied with one man
If you've got it together
And you're bringing it here
Come on in, come on in

I've been missing the fire
In your ocean green eyes
And the love words you whispered back then
If you can still say you love me
After telling those lies
Come on in, come on in

It's the worst kind of Hell
Since we're living apart
I don't think I can take it again
If you swear that you'll love me
I'll open my heart
Come on in, come on in

Come on in, darlin'
I love you
