You thought she'd care for you and so you acted smart
Go on an break, you crazy heart
You lived on promises I knew would fall a part
Go on and break you crazy heart.

You never would admit you were mis tak-en
You didn't even know, the chances you were takin
I knew you couldnt win, I told you from the start
Go on and break you crazy heart.

I knew you'd wake up and find her missin
I tried my best to warn you, but you wouldn't listen
You told me I was wrong, you thought that you were
smart
Go on an break you crazy heart.
