You took my heart for a ride then you slung it aside
It was broken oh darling it was broken
My baby it was broken
Then like a sack an old, old sack honey
You came dragging it back
It was broken my baby it was broken
I said I wouldn't lend it till the day we was wed
But each time I kiss you I forget what I said
I'll let you keep it tonight if you hold it real tight
But dear don't drop it
My baby don't drop it
Well I said I wouldn't lend it till the day we was wed
But each time I kiss you honey I forget what I said
I'll let you keep it tonight if you hold it real tight
But dear don't drop it
My baby don't drop it
Oh darling don't drop it
