Well the way is dark
The night is long
I don't care if I ever get home
I'm waiting
At the end of the road
Well the stars may not shine
Neither the moon
What the heck we don't want no blues
I'm waiting
At the end of the road
You can jump in my Ford and give it some gas
Pull out the throttle, don't give me no sass
Take you foot slap it on the floor
When you get here we'll rock some more
Oh The way is dark
The night is long
I don't care if I never get home

I'm waiting
At the end of the road
piano solo
guitar solo
You can jump in my Ford and give it some gas
Pull out the throttle, don't you give me no sass
Take you foot slap it on the floor
When you get here we'll rock some more
Well the way is dark
The night is long
I don't care if I ever get home
I'm waiting
At the end of the road
