People think that I'm high class  
But I'm low down all the while  
People think that I'm crazy  
When I flash that California smile  
But I can still  
Paint the town  
All the colors of your evening gown  
While I'm waiting for your blonde hair to turn gray

People say you're a drinker  
But I get sober half the time - mmm hmm  
People say you're a loser  
But I get lucky on the side - bet you do  
But I can still  
paint the town  
All the colors of your evening gown  
While I'm waiting for your blonde hair to turn gray

All my life I've waited for someone who could show me  
where the bliss is  
All my life I've waited for someone who could take me  
past the kissing?

People say I'm a loner - mmm hmm  
I like to get lost in a crowd ? don't we all

Oh, people say I'm a dresser - pretty sharp  
I wear my sport clothes way out loud - way out loud  
Yeah I can still - I can still  
paint the old town - town  
and I can shake it -shake it  
I can turn it upside down ? upside down  
while I'm waiting ? waiting  
for your blonde hair -for your blond hair  
to turn gray - gray

Girl I'll keep waiting -Waiting  
for your blonde hair  
to turn gray

I'll keep waiting - Just waiting  
for your blond hair

to turn gray

It will turn gray baby. Mmm that's right.
