"Goodbye Of The Year"

Visit "[Goodbye Of The Year](#)" on MotoLyrics.com

I can't feel the world between us even though you're by
my side
So close and yet so far away to hear me say goodnight
Your lonely eyes have told me the way you feel inside
You could never say goodbye any plainer if you try
Congratulation baby for the goodbye of the year
You were gone before I had a chance to dry your tears
To show my admiration I think it's only there
To say congratulation for the goodbye of the year
[piano]

To show my admiration I think it's only there
To say congratulation for the goodbye of the year
