Got you on my mind, feeling kinda sad and low
Got you on my mind, feeling kinda sad and low
Wondering where you are, wondering why you had to
go

Tears began to fall, everytime I hear your name
Tears began to fall, everytime I hear your name
Since you went away, darling, nothing seems to be the
same

No matter how I try
My heart keeps tellin' me that I can't forget you
It should ever be that you wanna come back
To Jerry Lee, Lord, I'm gonna let you

Got you on my mind, feeling kinda sad and low
Got you on my mind, feeling kinda sad and low
Wondering where you are, wondering why you had to
go
