Take the ribbon from your hair shake it loose and let it
fall
Laying soft upon my skin like the shadows on the wall
Come on and lay down by my side till the early morning
light
All I'm taking is your time just help me make it through
the night

I don't care what's right or wrong I don't try to
understand
Let the devil take tomorrow Lord tonight I need a friend
Well, yesterday is dead and gone yes it is
And tomorrow's out of sight, it's so sad to be alone
(Think about it now)
Help me make it through the night

I don't care what's right or wrong
