It's that honky tonk feeling every time your arms grow  
cold  
I suppose that's the reason I found a home away from  
home  
So I'll say it one more time and I hope you understand  
If I can't find it in your arms babe  
I'm gonna find it where I can

I love those lonely women  
Cause I know just how they feel  
I keep right on pretending  
That what you're giving me is real

It's that honky tonk feeling every time your arms go  
cold  
I suppose that's the reason I found a home away from  
home  
So I'll say it one more time loud enough to understand  
If I can't find it in your arms babe  
I'm gonna find it where I can
