Hot Summertime Track 17  
(LaMar Everett)  
Jerry Lee Lewis

In the good old, summertime  
In that hot, hot, hot  
Hot, hot, hot, summertime  
Rollin' down  
Gettin' it on down the line  
You got yourself a little woman  
And she sho' is fine

Ya hold her hand, baby  
Hold yours, too  
And pretty soon  
She might be hangin' on tonite

As with old Jerry Lee  
He's gone rock n' roll  
In the good old summertime

(Instrumental and piano solo)

J.L.L. spoken:  
Have to go to G, now  
Stay there!  
Go to 'E'  
Say you might wanna roll an 'A', 'C'

(song stops)

J.L.L. spoken:

'I guess I'm thinkin' more of those songs  
that no one knows real well!'
